You need these things....

toothbrush and toothpaste
drinking glass
dental floss
clean dry towel

toothbrush
drinking glass
dental floss
clean dry towel

...to clean your teeth.

1 2 3 4 5 6
Put some water and toothpaste on your toothbrush.

Put the toothbrush in your mouth and **scrub, scrub, scrub!**

Rinse the toothbrush and your mouth with water.

Pull out a piece of dental floss from the container.

Floss between your teeth and gums.

Wipe your mouth with a towel.
